

ITEAM - IBPA – INTRODUCTION

[HTTP://WWW.NWCCWEB.US/LOGISTICS/DISPATCH.ASP](http://www.nwccweb.us/logistics/dispatch.asp)

What is ITEAM?

The **Incident Training Equipment Acquisition Management** (I-TEAM) program will be used by Region 6 for noncompetitive preseason IBPAs. I-TEAM is a web-based acquisition tool that allows Acquisition Management (AQM) to draft, approve, store, and distribute IBPAs. Additional functions have been developed for Fire & Aviation Management (FAM) and Dispatch. FAM will manage their training & inspection recordkeeping in the program and Dispatch will have access to equipment search reports.

What is an I-BPA?

Incident Blanket Purchase Agreements (I-BPAs) are preseason agreements for incident support. I-BPAs replace Emergency Equipment Rental Agreements (EERAs) for preseason sign up of equipment for use on incidents. EERAs will still be used for hiring equipment incident only. Incident-only EERAs are valid only for the duration of the incident they were signed up on. Once the incident releases the resource, the agreement is no longer valid.

How do I access ITEAM for Dispatch Reports?

If you do not have an E-Authentication account you will need to go to the link below to request an E-Authentication account. Once on this site go to “Create an Account” option and request a **Level 1 Access**.

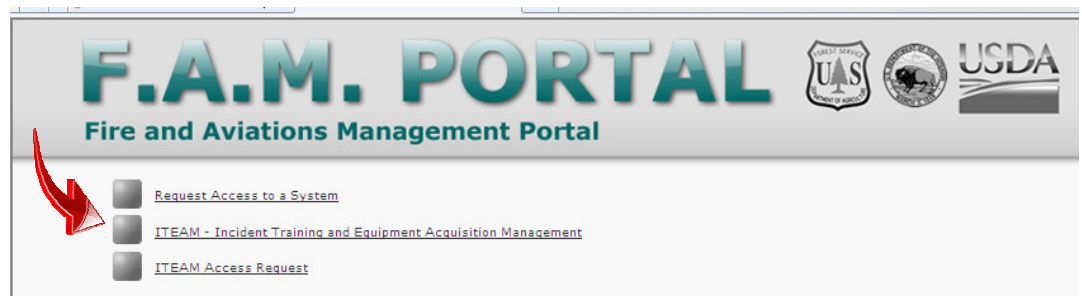

www.nwportal.fs.usda.gov

If you have an E-Authentication account you can go to the link below and request access to ITEAM.

http://www.nwportal.fs.usda.gov/USFS_R6/ITEAM/

1. E-Authentication Log In.

2. Request Access to a System

3. Check ITEAM and Submit Request

Fire Systems Portal

Region 6 System Access Request

You Have a Valid eAuthentication Password, but have not registered for any of our systems.
Please Fill out the form below and your security request will be processed.

- ☐ Incident Command Application (ICAP)
- ☐ Digital Aviation Information
- ☒ Incident Training and Equipment Acquisition Management (ITEAM)
- ☐ Fuels Treatment Effectiveness (FTE)
- ☐ Washington Fuel Treatment Reporting
- ☐ Oregon Fuels Treatment Reporting (FASTRACS) - Production Version
- ☐ Forest Service Google Earth Server
- ☐ Project Aviation Safety Plan (PASP)

Submit Request

4. Choose Operations and SAVE

****IF you are NOT a regular agency employee please notify me to approve your request at:**

juanitajohnson@fs.fed.us

or call 541-419-5173

Request Access to Iteam

Please select a user level: Operations ▼

SAVE

Once you have submitted your request it is usually approved within 24 hours.

5. When approved you will see the ITEAM option, choose it.

6. Your In ITEAM
